

**The Pro's Choice for Powerful and  
Safe Odor Elimination**

THE ODOROX HG

# OASIS+

**PATENTED • SCIENTIFICALLY CONFIRMED • SAFETY TESTED • FIELD PROVEN**

# » OASIS+

The Odorox® Oasis+™ machine is ideal for disaster restoration contractors treating light to moderate odors in small to medium-sized areas. It is a versatile unit that can be used to eliminate a wide array of odors and VOCs. It uses 2 ultraviolet optics, an adjustable built-in fan, and operates using 1.9 amps. The typical coverage area for this machine is 500 to 1,000 sq. ft., depending upon the strength of the odor and the layout of the structure.
